

However innumerable all beings are
I vow to save them all

However inexhaustible my delusions are
I vow to extinguish them all

However immeasurable the doctrines are
I vow to master them all

However endless the Tewahedo Way is
I vow to follow it completely

The Cross is our power
The Cross is our strength
The Cross is our ransom
The Cross is the salvation of our souls
The Jews denied, but we believed
We, who believed are saved by the power
of His Cross
