Dear Brother Davis:

Warmest Christian Greetings!  
In receiving, and reading, the  
materials you have sent to me,  
I have become convinced that  
I should write this letter. I  
have read each piece you have  
sent. But I confess that I do  
not understand what you are  
doing and are attempting to do.  
I am temporarily on the side-  
lines, trying to recuperate from  
a devastating stroke, and cannot  
be much involved in anything  
else at this point. I am  
requesting that you remove my  
name from your mailing list.  
I know it is quite expensive  
to make and mail copies as

You do, and I do not wish you  
to be out that expense.

I do not have access  
to a secretary and am hand-  
writing my correspondence. I  
wrote to you sometime ago and  
stated intentionally that I  
did not wish to be a part  
of what you were doing. When  
I received a copy of that letter  
attached to other materials from  
you, I had mistakenly left  
out the word "not." I was  
embarrassed, to say the least.

I love you Brother  
Greg and sincerely desire  
blessings from God on you.

In Christ Jesus  
Paul J. Henison
