These Greetings are sent in Jesus the Anointed who is Father, Son and Holy Spirit now and ever and unto ages of ages. Amen.

To the Right Reverend J. Neil Alexander, ThD, DD

Dean of the School of Theology, Suwanee, University of the South

Great to hear from you, again. Do you recall Bishop visitation day we attended last year at the Cathedral of St Philip and the observation made in Child Hall regarding your 'good friend' that was not named? Your plan then was to take up a professor of religion at Emory University and for quiet time and reflection, enjoying reading on the back porch of someone close by. Now, you've become the Dean to the Theological School at Suwanee the University of the South and so those announced plans changed.

The life has changed for me, too. After becoming gifted as a "spiritually received bishop" at All Saints through your hand May 23rd, 2010 the Spirit has moved this unrighteous steward to join St Luke's the Physician Protestant Episcopal Church established in the Confederate States of America. And now, yours has been given a parish named, St Mary of Zion in Decatur, Georgia and the Ethiopian Orthodox Tewahedo priests (that have been without a bishop) they are agreeable to establishing the Universal Orthodox rite by witness upon the document entitled, "Claim of Right Reverend Gregory Karl Davis as Common Law Bishop through the Universal tradition of Apostolic Succession," to be recorded in the Fulton County Books and Records then served as a certified copy upon the Secretary of State for Georgia U.S.A. with Legal Notice of service to follow in the Fulton County Daily Report.

In Matthew, And He answered the disciples, "To you it has been given to know the secrets of the kingdom of heaven, but to them it has not been given." xiii. 11
